

NATES

NATES

NATES will keep you warm, when temperatures are low. Perfect for any outdoor activity. Extremely light and easy to carry.

NEW
2022

1. ON/OFF

Push for 3 sec. to turn ON or OFF.
Single push changes the levels of heat:
Red = high (9W)
Yellow = middle (7W)
Green = low (5W)

2. Heating element

Surface temperature: Max. 40C / 104F
at level 3 (Red). Warm up: <1 min.

3. Handle- / Shoulder strap

Push the button, and Nates comes with
a carry handle, un-click the button, and
it becomes a shoulder strap.

Designed for any outdoor use, with its water repellent fabric and waterproof zipper, NATES can keep you warm in all kind of weather and environments. Ideal for football clubs, race events or as a sponsored product, which we offer.
